

The Superintendent's Report

In addition to meeting the Superintendent Leadership Quality Standard (SLQS) and the criteria set out in Board Policy 12, Appendix B, Superintendent Lewis speaks to her work leading the Division at every public board meeting. Here are a few highlights since the October 27th PBM!

Attended the Board's Annual Planning Seminar, facilitated by Irene Heffel and ASBA consultant Norm Yanitski.

The newly elected Board heard about the Division's finance and budget status and the schedule of reports school jurisdictions adhere to for Alberta Education from Secretary-Treasurer Nicholson.

Assistant Superintendent (acting) Carra Aschenmeier walked the trustees through the new Assurance Framework that enables school authorities to show their communities how they are performing.

Hosted the new Trustees on school tours in Jasper, Edson, and the Lobstick area, and supported principals in their school data presentations to provide an overview of the schools' demographics, staffing profiles, budgets, and highlight strengths and growth areas. During the presentations, principals took the opportunity to share specific areas for advocacy - such as the Draft K-6 curriculum, and funding supports for students requiring special supports, and funding supports for French Immersion programming.
