## Learning Services Update

Leslee Jodry, Assistant Superintendent - Learning Services, confirmed that grade 3 students in Grande Yellowhead schools are participating in the second year of the pilot Student Learning Assessment (SLA) program from Sept. 14<sup>th</sup> to Nov. 1<sup>st</sup>. The new SLAs contribute to realizing the vision of *Inspiring Education* by enabling parents and teachers to be aware of a child's strengths or areas needing improvement at the start of the school year. They support student learning while more effectively assessing literacy, numeracy, and competencies such as innovation, collaboration, creativity, and the ability to apply knowledge to different scenarios. The SLAs are primarily computer-based assessments. All GYPSD students in Grade 6 and 9 will continue to write the Provincial Achievement Tests (PATs) in June 2016.
