TEKERRA **WINTER** ENGLISH CAMPS

Are proudly hosted by **GRANDE YELLOWHEAD PUBLIC SCHOOL DIVISION** in Alberta, Canada. Our schools offer both academic and unique programming opportunities.

At Grande Yellowhead Public School Division (GYPSD), we take pride in creating opportunities for students to develop a passion for learning and to develop into socially responsible citizens in a changing global society.

Our school division includes 17 schools and 5 Learning Connection Centres in 5 unique communities. Our population is approximately 4500 students and 600 staff.

Grande Yellowhead is committed to continuous improvement; our Board of Trustees and staff believe that all student can learn and we are committed to providing the supports necessary to ensure that all our students reach their potential. Our schools ranked higher than the Alberta average and offer a first class education.

Nationally, Alberta students score above the Canadian average in all subject areas; internationally, Alberta consistently places in the top ranks for mathematics, reading and science among the top five world education systems on the Programme for International Student Assessment (PISA) sponsored by the Organization for Economic Co-Operation and Development.

Our Division follows the provincial educational curriculum established by the Government of Alberta which includes a standardized curriculum for all grades and subject areas to ensure that every student has equal learning opportunities. Students benefit from the use of state of the art technology built on a robust wireless infrastructure and a variety of innovative technologies such as Virtual Reality and robotics.

Beginning in January 2019, GYPSD is to begin offering English Camps in both winter and summer at the beautiful Palisades Stewardship Education Centre located in the heart of Jasper National Park.
