

New Secretary Treasurer for GYPSD

FOR IMMEDIATE RELEASE - Grande Yellowhead Public School Division (GYPSD) No.77, is pleased to announce Sean Nicholson, as the new Secretary Treasurer appointed under the section 116 of the School Act. Sean will be transitioning from Manager of Financial Services, a role in which he has served with excellence and commitment to detailed fiscal management.

Superintendent Lewis is delighted that Sean has accepted this position and stated “I look forward to working with Sean, he will be an excellent addition to the Senior Administrative team.”

Sean Nicholson graduated from the University of Alberta, with a B.Sc. majoring in Mathematics. He has extensive experience working in the Government at both Alberta Health Services and in Alberta Education in the Budget Fiscal Analysis department. Sean received the Jason Lang Scholarship when he attended the University of Alberta. In addition, he completed an after degree in Business at the University of Athabasca where he received Honors with Distinction and is currently working on his CPA designation.

“I am excited for my new position and look forward to being able to support the division in providing a high standard of education for our students,” Sean stated.

As part of his new role, Sean will be responsible for the accuracy of funding received by the Division and ensure that it is fiscally responsible, bringing forth financial accountability; as well as producing reports in compliance with all legal Ministerial mandates and timelines. Sean is enthusiastic as well as prepared for the new responsibilities as Secretary Treasurer and will be providing strategic support to the Board.
