

TEKARRA
ENGLISH LANGUAGE CAMP

Held in the beautiful Canadian Rockies in Jasper National Park, Alberta, Canada

Tekarra English Language Camp combines learning English with outdoor adventures. Students ages 12 to 18 experience the great Canadian outdoors while staying in Jasper National Park. Class time is scheduled every morning, while each afternoon will challenge students with new explorations and activities, all while speaking English.

Students attend morning lessons in English with a certified English language teacher.

Our program is 'total immersion' which means you will always be practicing, speaking, learning and having fun in English.

The camp provides three nutritious meals a day.

Students have the chance to learn a new language and make friends from around the world.

Afternoons and evenings are spent enjoying a wide range of activities such as hiking, canoeing, and rock climbing.

Each participant receives a certificate of completion at the closing ceremony.
