

## STUDENT TRANSPORTATION SERVICES

The *School Transportation Regulation* and the *Education Act* identify the transportation services that school divisions in Alberta are required and funded to provide. In addition, Grande Yellowhead Public School Division (GYPSD) provides fee-based options for families wishing for bus services that are not funded but are made available through a cost recovery model that is subsidized by the Board.

Transportation Services confirms school registration through PowerSchool before students are scheduled on a transportation service area route.
