

Let's Get Ready to Learn!

We offer a great start for all Kindergarten kids

A photograph of two young boys standing in a grassy field under a clear blue sky. The boy on the left is wearing a blue and white checkered shirt and blue jeans. The boy on the right is wearing a white shirt, blue suspenders, blue jeans, and bright blue sunglasses. He is holding a large, green, fuzzy stuffed animal. The background shows a line of trees and a clear sky.

Get ready,
set, go
for a great
school year!

Welcome to the

Grande Yellowhead Public School Division!

Beginning Kindergarten is an exciting milestone for your child and your family. It is a time of exploration and growth. At Grande Yellowhead, we are excited to offer FULL-DAY KINDERGARTEN so your child can find delight in learning and building even stronger connections to friends and teachers.

We also want you to be a strong partner with us in their education - ensuring your child's success!

We are proud that you have chosen one of our schools to start your child's educational journey and we know that there is a lot of information that you want to know about.

Grande Yellowhead Public School Division covers a large geographical area ~ from Jasper National Park, east to Evansburg, south of Cadomin and northwest beyond the Town of Grande Cache. We have 17 schools, five Learning Connection Centres and enrolment of almost 5000 students.

We employ over 600 staff members and contractors who are dedicated to inspiring each child to be fully engaged in their learning - from Kindergarten to Grade 12.

Our schools offer a
warm, safe and caring environment
to welcome your child to the
wonderful new world of
discovery and learning.

Our Kindergarten program is designed to help prepare children for Grade 1 — providing them with an introduction to teachers, classroom routines and student expectations.

It also encourages children to play and learn through a variety of experiential education opportunities to support their emotional, social, physical, intellectual and creative development.

During their first year of schooling, our teachers focus on the following learning skills:

- EARLY LITERACY & NUMERACY
- CITIZENSHIP
- AWARENESS OF ENVIRONMENT & COMMUNITY
- PERSONAL & SOCIAL RESPONSIBILITY
- PHYSICAL CO-ORDINATION & WELL-BEING
- CREATIVE EXPRESSION

We encourage you to visit Alberta Education's website to learn more about the [kindergarten curriculum](#).

GENEVRA

giraffe
Auf der linken Seite ist die...

To enrol your
child in Kindergarten
for the upcoming
school year, he/she
must be 5 years old by
December 31st of this
year.

Please have their birth
certificate available when registering.

Our Kindergarten program establishes the foundation for your child's life-long educational journey. He/ she will be guided by our qualified and caring professionals who provide a variety of services and supports to meet your child's unique needs.

At Grande Yellowhead, we offer flexible learning environments that are designed to stimulate students' curiosity, encourage exploration and build strong self-confidence and global citizenship skills in our students.

Click the [link](#) for online registration.

GYPSD offers

Full-Day Kindergarten

What is full-day Kindergarten?

Full-day Kindergarten is designed to build a strong learning foundation in an environment that supports learning through building relationships, imagination, play, exploration and inquiry.

Why full days?

In today's complex world, education is more important than ever for our children. Full-day Kindergarten is designed to give your child a stronger start in school and in life.

Our schools are 'allergy aware'. If your child has specific food concerns, please tell your child's Principal and Kindergarten teacher so we can ensure a safe and healthy environment for them.

**full-time,
fun time**

Along with English Programming, we offer **French Immersion** starting in Kindergarten with the majority of the core curriculum taught in French.

French Immersion is available at the following elementary schools:

[ÉCOLE WESTHAVEN SCHOOL](#), EDSON (JK-5)

[ÉCOLE MOUNTAIN VIEW SCHOOL](#), HINTON (JK-7)

[ÉCOLE JASPER ELEMENTARY SCHOOL](#), JASPER (JK-6)

What if I want to register my child in a French Immersion program but don't speak French?

No worries! Parents do not need to speak French to support children at home with reading and homework ~ in fact, the majority of our students come from English-speaking homes.

Remember to contact your
school of choice

to find out school start
and finish times.

At Sheldon Coates School in Grande Cache and Evansview School in Evansburg, students also enjoy Forest School which is a time to play and learn about the world through time in nature where educators support children in play, making connections to the land and investigating the biodiversity that the forest has to offer.

Grande Yellowhead believes in supporting every child to reach his/her full potential.

We believe that *All Kids Are Our Kids* and we want to have *Success for All*.

To ensure all children are ready to learn and have a strong start in school, our division's school linked team (consisting of a speech-language pathologist, occupational therapist, division psychologist, Family School Liaison Counselor and B.E.S.T. Success Coach) work together with classroom teachers and educational assistants to support your child's learning and development.

One of the most important things you can do to help your child succeed in school is to get involved!

We welcome parent involvement in Kindergarten and throughout your child's education in our schools ~ sign up for classroom help, volunteer for special days and celebrations, be an active member in your school's Parent/School Councils.

We offer transportation for Kindergarten students, register today!

If you require [bus transportation](#), please register with your school or feel free to contact our Transportation Services Department at 1.800.723.2564 to learn more about registration. We also encourage you to [sign up online](#) to receive up-to-date notices on school bus route changes and/or cancellations on your child's bus route at our website www.gypsd.ca.

See you in September!
