## **SCHOOL ATTENDANCE AREAS**

### **Background**

The Division provides each student with the opportunity to meet the standards of education set by the Minister by effectively utilizing the human and physical resources of the Division. In order to achieve this goal, the Board establishes attendance areas for each school in the Division.

### **Procedures**

1. Parents/guardians are expected to register their children at their attendance area school. Principals receiving registration requests from non-attendance parents/guardians are required to direct them back to their attendance area school.
2. Attendance areas are established in compliance with Section 121(1) of the Education Act.
