

Assistant Principal Profiles

At Grande Yellowhead Public School Division, we are proud of the individuals who lead our schools and share their passion and innovation with the staff and youth they interact with on a daily basis. A strong school leader is someone who leads and models learning, supports a collaborative and reflective learning community, and one who makes child-focused decisions. Here is a peek at those strong leaders in your community!

Becky Koss

Born and raised in Red Deer, surrounded by a family of educators, Becky felt a natural pull towards a career in education. After leaving the prairies for the mountains, several part-time teaching opportunities arose at both JJSHS and Jasper Elementary schools. After teaching first grade full-time for five years, the position of Assistant Principal was a new and exciting opportunity to expand her interests in leadership at École Jasper Elementary School. During her time off, you will find Becky biking, skiing, and hiking around the national park's mountainous playground, or taking advantage of post-pandemic travel to Europe to visit family and friends

Leslie Currie

Leslie was born and raised in Jasper National Park. Growing up in the mountains helped cultivate a lifelong love for all outdoor activities and travel. Inspired by her own educators, Leslie always knew she'd be a teacher. After earning her B.Ed at the University of Alberta, Leslie was able to combine her passion for teaching with travel as she and her partner taught English in South Korea. Upon her return, Leslie was fortunate to be hired at her old high school and has since enjoyed 15 years in various positions at JJSHS. Leslie is particularly energized by teaching English Language Arts to Junior High students but has taught a variety of Junior High courses over the years. She has enjoyed the chance to reconnect with her former students by volunteering as the Graduation Supervisor since 2014. In 2015, Leslie took on the role of Learning Support Teacher and has also worked closely with staff in areas of professional growth. In 2021, Leslie jumped at the opportunity to broaden her leadership role and accepted the position of Assistant Principal. When Leslie is not at school, you may find her enjoying a slice at her family's pizza restaurant, or getting lost in the beauty of Jasper's outdoors with her husband and two children.
