

*Today is Administrative Professionals Day and on behalf of the Division and the Board of Trustees, I would like to recognize the administrative assistants, secretaries and other administrative support professionals across GYPSD for the exceptional work they do on a daily basis. You are each central to the work we do, and so valuable to the Division with your organizational skills, flexibility and ability to handle the unexpected.*

*Thank you for your contribution to GYPSD and for helping all of us work together for each child and student under our care to succeed in their learning journeys!*

*Have a wonderful day.  
Carolyn*
