HINTON TRANSPORTATION SCHOOL BOUNDARY REVIEW

Community Input & Information Night

Harry Collinge High School
November 15, 2022
6:30 to 8:00 pm

GYPSPD's Board of Trustees invites families and community stakeholders to attend an information session regarding a review of the elementary school attendance areas in the Town of Hinton and surrounding areas.

The purpose of this review is to better align school boundaries to the province's Student Transportation Regulation and student enrolments between the two elementary schools. Input from community engagement will be used to determine what, if any, changes are needed, and how these changes will be implemented.

why?

The review is needed as the population of the Town of Hinton and surrounding areas has grown and changed since the transportation boundaries were last updated over 20 years ago!
