

New Staffing Announcement - Learning Services Consultant

Immediate Release: May 25, 2023 - [Grande Yellowhead Public School Division](#) (GYPSD) is pleased to announce that Mrs. Amy Corser has accepted the position of Learning Services Consultant as part of the Learning Services Team beginning the 2023/2024 school year.

For the past three years Mrs. Corser has been the Learning Support Teacher and Assistant Principal of Mary Bergeron Elementary School in Edson. She started with GYPSD in 2014 after taking some time off to raise her two daughters. Mrs. Corser attended the University of Alberta where she majored in Elementary Education and minored in Social Studies. She is currently enrolled in a master's program at the University of Alberta, specializing in Elementary Literacy Education.

She started her teaching career teaching Grades 2 and 3 in Lethbridge, and then a few years later, she taught Grade 5 in Red Deer. In 2010, her family moved back to Edson, her hometown, after her first daughter was born. She is passionate about outdoor pursuits such as cross country skiing, hiking and spending time with her husband and two kids.

Mrs. Corser strives to create inclusive learning environments that foster a sense of belonging. She strongly believes in school communities that are welcoming and safe spaces where students, staff, and community members can achieve great things by working together. She is excited to enter the Learning Services Consultant role serving the Division's students, teachers, school staff, families, and community members.
