

## New Horizons for Seniors Grant Application

August 27, 2024

To Members of the Grant Selection Committee:

### Re: Letter of Support for Hinton Legion

On behalf of the Board of Trustees for Grande Yellowhead Public School Division (GYPSD), please accept this letter of support for the Hinton Legion's application to the New Horizons for Seniors Grant (NHSP).

The Hinton Legion plays an important role in the youth of our Hinton community. The Legion provides practice spaces for both the Cadets and Scouts programs. In addition, the Legion sponsors activities encouraging a deeper understanding of Remembrance Day and provides an annual scholarship to a high school student showing excellence in mathematics.

Since 1949, the Hinton Legion has been an active and engaged community partner – most recently providing meals to the Evacuees, First Responders and other Jasper community members battling the devastation of the Jasper wildfire. The facility desperately requires a washroom renovation to support the many groups regularly accessing the Legion.

We hope that you will select the **Hinton Legion** as a successful recipient of the grant.

Sincerely,

Dale Karpluk (Aug 27, 2024 16:50 MDT)

Dale Karpluk, Board Chair (Jasper)

Cc: Beryl Whitney, President Hinton Legion  
Mr. Gerald Soroka, Member of Parliament for Yellowhead, Alberta  
Board of Trustees for Grande Yellowhead Public School Division  
C. Lewis, CEO/Superintendent of Schools
