

Fulham Attendance Area: Community Information Evening

OCTOBER **10th** 2024

6:00 - 8 PM

Hosted at Fulham Community School

The Board of Trustees invites Fulham families and area stakeholders to talk about the current attendance boundary for Fulham within the Edson electoral ward, and the implications of parent choice to leave the area.

Input from this conversation, and the **feedback received in the Spring of 2024**, will be reviewed by the Board to determine what, if any, changes are needed, and how these changes may be implemented.

Fulham community members are invited to submit their questions ahead of the event to **communications@gypsd.ca**.

Applicable questions received on or before October 8th will be addressed at the event.
