Accessing Digital Report Card on Mobile Devices - Turning Off Pop-Up blockers
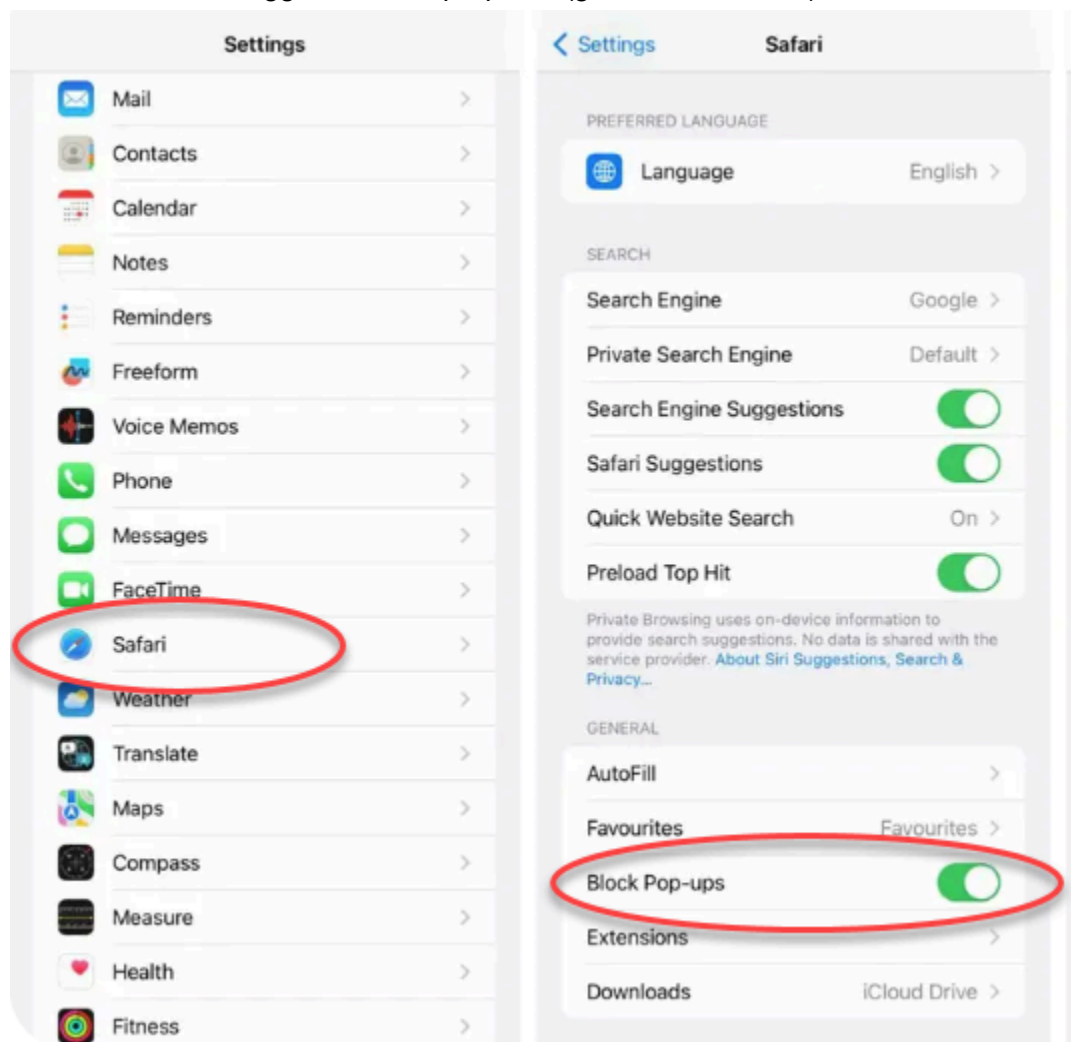

Depending on your device and browser, you may have to manually turn off the pop-up blocker for your browser to access the GYPSD digital report card. Android users can download the report card from any preferred browser as there are no pop-up blockers to turn off.

If you are having trouble accessing report cards on your iPhone or iPad, please see below for instructions on how to turn off Pop-up blockers.

Here are some simple steps for three common web browsers to access digital report cards.
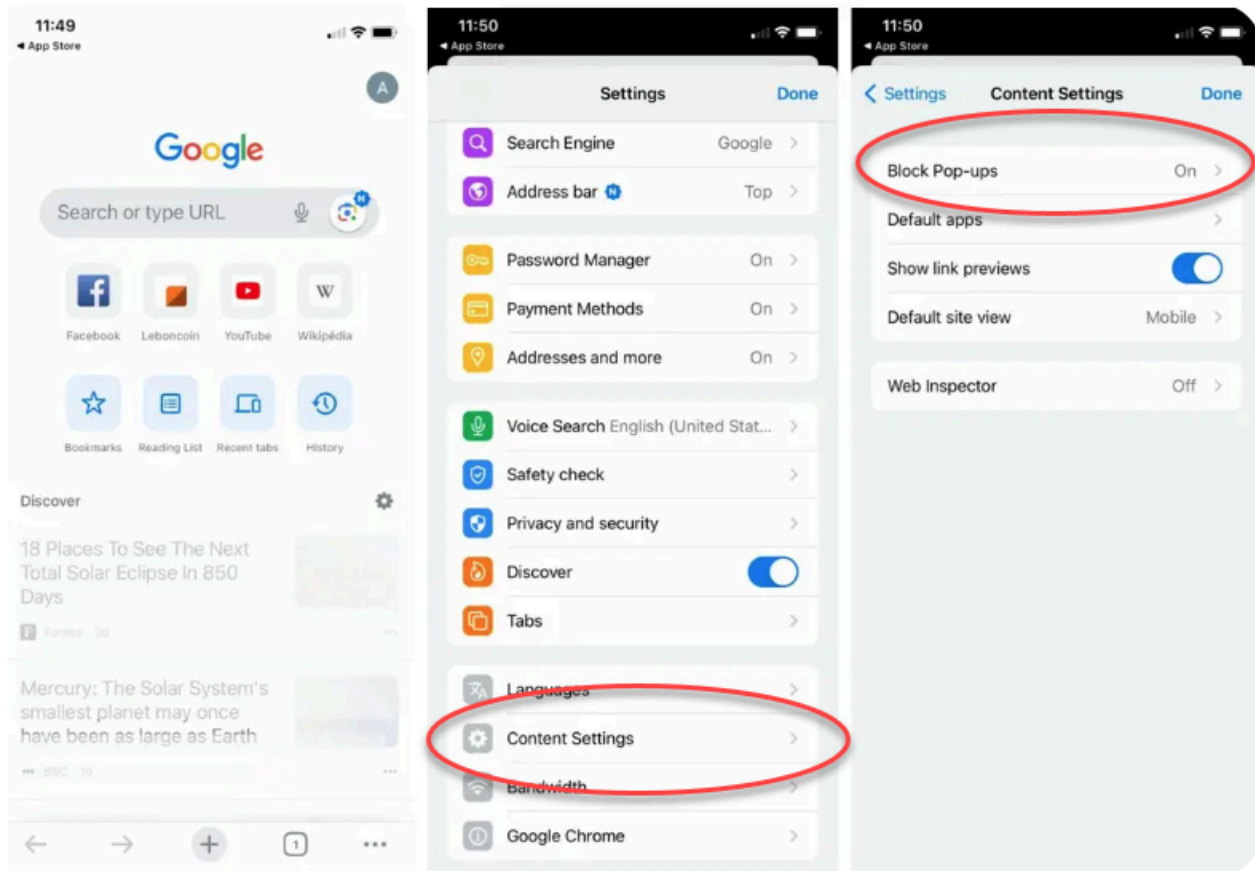

Safari (Apple's browser)
1. Open the Settings app on your iPhone or iPad
2. Scroll Down and tap the Apps option
3. In the Apps setting tap Safari
4. Under General toggle Block Pop-ups off (green slide bar off)

Google Chrome on iPhone or iPad
1. Access the Chrome app on your iPhone or iPad
2. Tap the horizontal three-dot icon and go to Settings.
3. Within Settings, scroll down and tap Content Settings.
4. Look for Block pop-ups and turn it off

Firefox browser on iPhone or iPad

1. Open the Firefox browser
2. Tap the three horizontal bar symbol at the bottom right corner
3. Go to settings
4. Scroll down and tap Block Pop-up window
5. Toggle the switch off to allow
