
SCHOOL ATTENDANCE AREAS

Background

The Division provides each student with the opportunity to meet the standards of education set by the Minister of Education by effectively utilizing the human and physical resources of the Division. In order to achieve this goal, the Board establishes attendance areas for each school in the Division. School attendance areas manage space and resources across the Division in order to provide quality learning opportunities for all students.

Definitions

- **Attendance Area Boundary:** all GYPSD students have a designated school.
- **Designated school:** the attendance area based on the student's primary address; parents/guardians will enter their addresses into the [Division Attendance Area Map](#) to identify their designated school.
- **Form 305-01:** If the designated school is unable to meet the specific and unique educational needs of the child, parents/guardians must request to attend a non-designated school using this form.
 - the decision to approve a request will be based on the specific and unique educational needs of the child and will only apply to the **current school year**.
- **Grandfathering Clause:** students currently attending a non-designated school are permitted to complete their programming at that location, or return to their designated school.
- **Sibling clause:** siblings of students currently attending a non-designated school are required to attend their designated school unless an application based on specific and unique educational needs is approved – [see Form 305-01](#).

Procedures

1. Parents/guardians **will** register their children at their designated school.
2. Principals receiving registration requests from parents/guardians outside of the attendance area **will** immediately direct them to their designated school.
3. The designated school attendance areas are established in compliance with Section 121(1) of *the Education Act*.

Lobstick Schools

- 3.1. Evansview School (until completion of Grand Trunk School)
 - 3.1.1. All Kindergarten to Grade 6 students residing within and along the following boundaries:
